Chapter 1

Introduction

1.1 Abstract

1.2 Objective and assumptions

1.3 Theoretical background

1.3.1 Artificial neural network

1.3.2 Deepfake

Chapter 2

Implementation

2.1 Technologies

2.1.1 Software and Libraries

2.1.2 Hardware

2.2 Datasets

2.3 Network learning

Chapter 3

ANN models

Chapter 4

Results

Chapter 5
